As a certified business, your firm will be listed in the State of Oregon, Office of Minority, Women & Emerging Small Business certified firm information which is available through the Internet. The following description table indicates the areas (in the form of NAIC codes) in which your firm has been approved to perform work. Please note that there may be some changes to the NAIC's codes which designate your firm's capability description(s). Also, OMWESB has recently included new (NIGP and ODOT) codes designating your certified capabilities which are consistent with your firm's eligibility requirements. These codes were added to assure that anyone using the OMWESB data base is aware of your capabilities for potential contracting purposes. We recommend you view your firm's information on the Internet under your certification number at: <http://www4.cbs.state.or.us/ex/dir/omwesb>. Please review the information to be sure the codes/descriptions accurately describe your business. If you have questions or suggested changes regarding your capabilities and the codes assigned, or if you do not have access to the Internet, please contact the Certification Specialist included at the bottom of this letter and they will assist you.
